Hoor SKIRTS .- The scarcity of crinoline in the South in consequence of the rigid blockade is doubtless the cause of the wolfish disposition of 400 hhds at 111/2 @111/2c. lately evinced by the ladies of the Southern Confederacy. We pity them, and hope that the bright-eyed and rosy-cheeked fair ones of the silver 23. North may never be reduced to such extremities, as to snap and snarl for the want of hoops. We don't think they will soon, for Mr. Henry J. Smith, of Cincinnati, has opened a wholesale house where the trade of the West can be supplied with every style and variety of the article. See advertisement in another column.

ROBBERY.-Last evening Marshal Rose left his horse and covered buggy attached to a post in front of Roberts Chapel. In a few minutes after it was non est incentus, which, rendered into English, means that the aforesaid property was not to be found. To thus rob a Government official, the Marshal for the District of Indiana, is certainly a most audacious crime. We call attention to the fact that the thief or thieves may be arrested, the property restored to its owner, and the dignity of the United States in the person of the Marshal aforesaid may be vindicated in the service a liberal reward will be paid.

with chronic disease for some time, and seeing an advertisement of one Dr. S. W. Howard, of Greenfield, and who is now treating Jordan Lacy, of Jackson township, for a cancer with an almost certainty o success, so rapid has be improved under the science and wisdom of his treatment. The bogus Dr. Howard treated my wife for a considerable length of time without giving her any relief, or benefiting her in any manner whatever. If there was any change she was worse when he was discharged than when he undertook to treat her. Believing that he is no physician, but an ordinary mechanic, assuming the practice of medicine to deceive the people and make money out of their credulity.
